a midsummer night s dream is a comedy written by william shakespeare in 1595 96 it portrays the events surrounding the marriage of theseus the duke of athens to hippolyta the former queen of the amazons these include the adventures of four young athenian lovers and a group of six amateur actors the mechanicals who are controlled and manipulated by the fairies who inhabit the forest in which most of the play is set the play is one of shakespeare s most popular works for the stage and is widely performed across the world it is unknown exactly when a midsummer night s dream was written or first performed but on the basis of topical references and an allusion to edmund spenser s epithalamion it is usually dated 1595 or early 1596 some have theorised that the play might have been written for an aristocratic wedding for example that of elizabeth carey lady berkeley while others suggest that it was written for the queen to celebrate the feast day of st john but no evidence exists to support this theory in any case it would have been performed at the theatre and later the globe though it is not a translation or adaptation of an earlier work various sources such as ovid s metamorphoses and chaucer s the knight s tale served as inspiration according to john twyning the play s plot of four lovers undergoing a trial in the woods was intended as a riff on der busant a middle high german poem according to dorothea kehler the writing period can be placed between 1594 and 1596 which means that shakespeare had probably already completed romeo and juliet and had yet to start working on the merchant of venice the play belongs to the early middle period of the author when shakespeare devoted his attention to the lyricism of his works
